

2024 SHOTGUN NATIONAL TEAM SELECTION

A. GENERAL

1. The USA Shooting, Shotgun National Team, will be selected from the top-scoring U.S. citizens under this USA Shooting Policy and Procedure.
2. Athletes selected to the Team must meet International Olympic Committee (IOC), United States Olympic & Para Olympic Committee (USOPC) and International Shooting Sport Federation (ISSF) eligibility criteria. See USA Shooting Policies and Procedures, Section II regarding eligibility criteria. Athletes must hold a current passport that does not expire for six months following the championship. Passports are the responsibility of the athlete. USAS will obtain any required visas.
3. Team members will be determined based on selection performance. There will be no subjective selection unless stated and detailed in procedures outlined below.
4. All athletes must sign and abide by the current USA Shooting Code of Conduct and USOC Code of Conduct as may be applicable.
5. Athletes will occupy the Team position(s) they earn. Team positions will not be filled by non-firing athletes. Team members may be selected in Open and Junior categories as provided by ISSF Official Statutes Rules and Regulations as well as the Organizing Committee program.
6. In the event an athlete voluntarily withdraws from the Team due to illness, injury or other reason or is removed by a USAS or USOC medical staff member, the next eligible athlete from the team selection process may be added to the team. When replacement from the team occurs within 14 days of that athlete's competition, the slot will only be filled by members already on the team if applicable, or the position left unfilled, due to international travel and administrative requirements. This time may be extended as dictated by visa requirements.
7. This USA Shooting Shotgun National Team will be comprised of the top six (6) athletes as per the current selection process.
8. In the event of inclement weather, power outages, range and range equipment errors, or circumstances beyond the control of the organizing staff, the team selection course of fire may be altered as determined by the competition jury in conjunction with the match director, National Coach and USA Shooting's Director of Operations or designated Technical Delegate who is the final authority.
9. Athletes must adhere to all IOC, WADA, ISSF, USADA and USOC anti-doping protocols, policies, and procedures, as applicable. This includes participation in Out-of-Competition Testing as required by the IOC, WADA, ISSF, USADA and USOC rules, as applicable.

5. The Second highest ranking individual, based on the current selection process, for men and the second highest ranking individual for women, in attendance, will be paired as USA Team 2

J. ADDITIONAL INFORMATION

1. The current ISSF Finals impact the competition format and results significantly creating a challenge in selecting teams. Athletes selected to the teams must be able to demonstrate both high skill levels in the qualification and in the finals.
2. Elimination style finals require other than purely score based system for ranking athletes if international medal success is to be achieved. Therefore, a system including the award of points for finals placement has been developed.
3. It is recognized that changes to the ISSF events program including finals may change for the 2022-2024 triennial. In the event changes are adopted, this Selection Procedure may be modified to mirror such changes.
4. 2024 priorities emphasize continued training of top athletes to perform and obtain World Cup & Continental Championship podium and final appearances.
